Compliance with European Regulations

Dear Sirs

We hereby inform you that our coating systems supplied to you (hardened paint film) fulfil as far as applicable the below mentioned regulations and directives provided that the applied coatings and solvents are produced by Dörken MKS-Systeme GmbH & Co. KG.

- | | |
|----------------|--|
| - 2000/53/EG | End-of life vehicles (ELV) |
| - 2011/65/EU | RoHS III |
| - 2012/19/EU | Waste electrical and electronic equipment (WEEE) |
| - 2003/11/EG | Pentabrom-/Octabromdiphenylether |
| - 2006/122/EG | PFOS |
| - 1907/2006/EG | REACH |

The a.m. coating systems do not contain any SVHC substances (substances of very high concern) in relevant quantities according to Article 33 of Regulation 1907/2006/EC, revision: 16.01.2020. We also refer to the corresponding IMDS entries.

Yours sincerely,

Dörken MKS-Systeme GmbH & Co. KG

i. A. Dr. Sabina Hartwig
Product Safety Manager
